As events may have different impacts on the ability to achieve this stated objective, selections and associated investments will be made in accordance with the strategic value of each event.

For the 2021 World Championship, the objective for the Women's program is to provide a major competition opportunity to benchmark current Canadian individual and team

Note: The competitive level of the global field will be defined by the quality of nations and athletes competing at the event.

4) Selection Authority

Under the guidance of the High-Performance Director (HPD), the National Recurve Coach is accountable to select athletes and staff in accordance with the Recurve Canadian Team Selection Policy, and the event specific criteria.

5) Team Size

AC may select up to three women to compete at the 2021 World Archery Championships.

6) Discrepancies & Amendments

In the event of changes by World Archery (WA) to the selection and eligibility criteria, AC is bound by these changes and will review and amend this document to comply with the new regulations or conditions.

AC is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact World Cup Events and/or domestic nomination of athletes to compete at these events. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, Archery Canada will respect this published Selection Addendum as written.

However, situations related to the coronavirus pandemic may arise that require this Selection Addendum to be modified. In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow this Selection Addendum to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decisions including nomination decisions, will be

made by the individual(s) with decision-making authority in consultation with the relevant individual(s) or committee(s) (as applicable), and in accordance with the stated performance objectives and selection philosophy and approach as stated herein.
