

ADDENDUM to CANADIAN TEAM SELECTION POLICY

2022 WORLD FIELD CHAMPIONSHIP

Yankton, North Dakota, USA

October 3-9th 2022

Updated: Feb 28, 2022 - New Event Dates. Priority 3 selection process & Staff Selection Procedure added

1) INTRODUCTION

This document is an Addendum to Archery Canada's 2021 Canadian Archery Team Selection Policy for individual and team events. The purpose of this Addendum is to define the specific process and criteria used by Archery Canada (AC) to select the compound/recurve and barebow archery athletes that AC will send to compete at the 2022 World Field Championship, to be held in Yankton, North Dakota, USA Oct. 3-9th 2022.

Only three men and three women in the Compound, Recurve, & Barebow division in the Senior and Junior age classes will be sent to the 2022 World Field Championship.

This is a self-funded event. AC will endeavor to fund a team leader to this event to support the team but is not guaranteed.

2) DECISION AUTHORITY

Under the guidance of Archery Canada's High-Performance Committee (HPC), the Selection Approval Panel is the sole decision-making authority for the approval of nominations of athletes.

The Selection Approval panel will consist of:

- (1) Neutral Member

- (1) Archery Canada Board Member
- (1) Member of the High Performance Committee

3) **ELIGIBILITY CRITERIA for the 2022 WORLD FIELD CHAMPIONSHIP COMPOUND, RECURVE, & BAREBOW**

To be eligible for selection to compete at this Championship, archery athletes must meet the eligibility criteria outlined below:

- Shoot a compound, recurve or barebow.
- Be a Canadian citizen and have a Canadian passport.
- Have a valid Canadian passport that does not expire on or before March 1st, 2023.
- The athlete must have achieved the Archery Canada qualifying scores as outlined below in clause 4) B).
- The athlete must have demonstrated in 2021 and in 2022 that he/she is capable of shooting the minimum qualifying score in tournaments leading up to the 2022 World Field Championship.

4) **TEAM SELECTION PROCEDURES**

A) **PERFORMANCE OBJECTIVE**

The objective of the team selection process is to select athletes with a reasonable probability of finishing in the top quarter of the men's and women's competition.

B) **CRITERIA**

The following specific criteria will be used for the selection of compound/recurve and barebow archery athletes to compete at the 2022 World Field Championship:

If an archer intends to participate in the 2022 World Field Championships, they must make that intention known by email to the Field coordinator by **June 25th, 2022**.

Priority 1

Archers must shoot and submit scores for **three (3)** registered (AC /World Archery) or other World Archery member national associations tournaments (e.g., USA Archery) between **May 1, 2021, and July 24, 2022, archers in the priority one pool will be selected according to their highest average.**

Priority 2

Archers must shoot and submit a score for **two (2)** registered (AC /World Archery) or other World Archery member national associations (e.g., USA Archery) between **May 1, 2021, and**

July 24, 2022, archers in the second priority will be selected if there are open spaces left and will be selected according to their highest average.

Priority 3

Archers must shoot and submit a score from a single registered (AC /World Archery) or other World Archery member national associations (e.g., USA Archery) between May 1, 2021, and July 24, 2022, archers in the third priority will be selected if there are open spaces left and will be selected according to their highest score submitted.

It is the archer's sole responsibility to submit qualifying scores to the Field Archery Coordinator in a timely manner. Submit scores to Sean McKenty at: smckenty@archerycanada.ca A list of archers with submitted qualifying scores will be posted on the AC website as they are received.

Ties

Any ties will be broken by total number of 6's than 5's. Should they still be tied, the ranking position on the 2022 Field ranking list on July 24th will be used.

Ranking scores will be determined as follows:

The top three (3) archers and one (1) alternate with the highest average score equal to or above the minimum ranking scores.

The minimum ranking scores for selection are as follows:

Table (1)

Senior Men's Compound:	(390)	Senior Men's Recurve:	(340)
