Judging Expenses

Archery Canada will cover the following judge expenses for all Canadian Championships:

1. Daily per diem at a rate of \$58.00 (the following rates will be used: \$12/breakfast* \$18/lunch, \$28/dinner) (*unless otherwise included with hotel)
2. Travel to and from the host city (air travel or ground transportation). Air travel is the cost of an Air Canada Tango class or equivalent priced class of ticket with other airlines such as Westjet, Porter. For those that travel by car, Archery Canada provides a reimbursement rate of \$0.52 per kilometre to a maximum equal to the above described airline ticket cost. It is the lesser amount of the two (ground or air transport) that is reimbursed by Archery Canada.
3. Accommodation: Double Occupancy. Judges choosing to room in a single room will be required to cover half the cost of the accommodation.

*Please note that Archery Canada is monitoring ongoing COVID-19 regulations, and room occupancy will be dependent on local regulations at the time of the event. We will continue to monitor and notify all judges as soon as possible, if there are any changes.

NOTE: Archery Canada covers the expenses of those named to the judge commission (no matter the level of certification). National Judge Candidates or Provincial judges who are invited to participate in the event as a learning opportunity are responsible for their own expenses. We recommend that these judges reach out to their P/TSO about possible funding to subsidize their expenses.

Selection Process

The Archery Canada Judge Committee will review all applications and nominate judges to the Officials Team for each event. Nominations to the Officials Team will be approved by the Archery Canada Judging Committee and reported to the Board of Directors by February 29th, 2023, after which all judges named to Officials Teams will be notified.

All interested judges must complete the application form below by January 31, 2023.
