

Canadian Archery Foundation — Call for director (1)

The Canadian Archery Foundation (the “Foundation”) is a standing committee of Archery Canada (AC), mandated to raise and grant funds for the advance of archery in Canada, and to work with the Canadian Olympic Foundation which manages AC’s endowed fund. Committee members, known as “directors”, award grants, bursaries, and scholarships to participants in archery at all levels, with a focus on non-Olympic youth archery, target archery, 3D and field archery, coach and judge development, and club development. The Foundation is looking for volunteers who will participate in the following functions:

- Discussions leading to the selections of the recipients and the granting of award amounts
- Setting fundraising goals
- Assisting at fundraising events
- Assisting with any public relations efforts
- Attending board meetings and committee meetings (normally held electronically)
- Participating in foundation planning
- Reporting annually to Archery Canada

Requisite skills/qualifications:

- Able to commit to a 4-year term
- Working knowledge of financial statements
- Ability to work collaboratively
- Must be able to attend and participate in all Foundation activities

Other:

- Knowledge of fundraising or archery is an asset.
